### Dear Parents/Guardians:

Here is our school's report card for the 2004-2005 school year. This report card is full of important information, including academic performance, teacher qualifications, our learning environment, and much more. Please take a moment to learn more about our school. For a more detailed look at our school, please contact us to see our Expanded Report Card on file at school, which includes more information than we can provide here.

### The School Growth Chart:

To see how we're performing, please take a moment to examine our growth chart. This chart starts with our school's baseline CATS score from 2000. We've drawn a goal line from that starting point to our goal of 100 in 2014. Every two years a new index point will be marked on the chart to show whether we are meeting our goal and earning rewards, progressing but short of our goal, or falling far short of our goal and eligible for state assistance. Over time, these points will form a performance trend line for our school.

Year	Goal Line	Assistance Line	Index
2000	58.7		59.5
2002	64.5	58.7	63.1
2004	70.3	62.1	69.8
2006	76.1	65.5	
2008	81.8	69	
2010	87.6	72.4	
2012	93.4	75.8	
2014	99.2	79.2	
Standard Error: 0.8			

### About Our School

Col. Wm. Casey is the largest elementary school in our county. Casey serves students in preschool through primary levels. Our school meets state standards in the area of technology through the services of a computer lab staffed and funded by Title 1 program. In addition we have at least three computer workstations in each classroom. Casey maintains a positive relationship with Lindsey Wilson College by being designated as a Professional Development Site for the college's education department. Areas of emphasis at the school are language arts and math. We use the research-based programs Accelerated Reader, Accelerated Math and SRA Direct Instruction to enhance these areas. We have received a 21st Century Community Learning Centers grant that allows us to provide an extensive after school program that is available to all students. Our motto is, "Col. Wm. Casey, a school where everyone loves to learn and learns to love".

### How Our School Ensures Educational Equity

It is the goal of Col. Wm. Casey that all students receive a fair and equitable education. We offer an exceptional child program that strives to meet the needs of students on an individual basis. In addition, we offer programs before and after school through the Extended School Services, 21st Century funding, PRIDE, the Family Resource Center, and Title 1 to meet individual needs and achievement gaps.

**School Enrollment (end of year membership 2004-2005): 575**

## How Our Students Perform

Kentucky uses the Commonwealth Accountability Testing System (CATS) to hold schools accountable for student progress. CATS has three parts: the Kentucky Core Content Tests, the national Comprehensive Test of Basic Skills (CTBS/5), and other measures of the school’s performance, including attendance, retention and dropout rates. Together these three elements make up a school’s CATS Performance Score for every two-year period.

### Kentucky Core Content Tests

Kentucky’s tests rate student performance using four categories: Novice, Apprentice, Proficient, and Distinguished. These categories translate into a scale of 0-140, with 100 being considered proficient. The state goal for all schools is 100 by the year 2014. This chart compares our school’s performance with all the schools in our district and all the schools in Kentucky.

The Kentucky Core Content Test is not given to Kentucky students prior to the Fourth Grade, so the only testing component available for our school is the CTBS/5, the national norm referenced test that is given at the end of primary.

### National Norm Referenced Test

The national norm referenced test used in Kentucky, the CTBS/5, measures the basic skills of our students while allowing us to compare their performance with national benchmarks established in 1996. These scores are reported in percentiles. A percentile shows the percentage of students who fell below a particular score on the test. For example, a percentile of 60 would show that the average student in our school scored equal to or better than 60 percent of all students who took the test.

National Norm Referenced Test (CTBS/5)	School	District	State	Nation
End of Primary (EOP) Reading	78%ile	74%ile	65%ile	50%ile
EOP Language Arts	68%ile	64%ile	62%ile	50%ile
EOP Mathematics	79%ile	74%ile	67%ile	50%ile

### Other Measures

The final component of CATS is our school’s performance in Attendance, Retention, Dropout, Graduation and Transition to Adult Life, where appropriate. (The Retention Rate is the percent of students who were not academically ready to go on to the next grade and had to repeat the grade.) Data in these tables reflect our performance during the 2003-2004 school year.

	Attendance Rate
School	94.8%
District	94.5%
State	94.3%

### State Contest Results: Academic/Speech, Band, Chorus, and Orchestra

## Teacher Qualifications

This chart shows the level of teacher certification, continuing education, and classroom experience of our teachers. These numbers do not include our administrators, guidance counselors, or library media specialists. Please bear in mind that teachers may be fully certified and yet not possess a formal major or minor in the subjects they are teaching. Upon request, our district will provide information about the qualifications of your child's teachers and teachers' aides.

	Sch.	Dist.	State
% of Classes Taught by Teachers Certified for Subject and Grade Level	100%	99%	NA
% of Classes Taught by Teachers With a Major, Minor, or Equivalent in the Subject Being Taught	100%	99%	NA
% of Classes Taught by Teachers Who Participated in Content-Focused Professional Development	100%	100%	NA
% of Teachers with a Masters Degree or Greater or the Equivalent	82%	79%	78%
Average Years of Teaching Experience	12.8	12.6	11.8

State	\$8663	16:1	3.7:1	100%

### How We Use Technology to Teach

Col. Wm. Casey has a fully equipped computer lab with 25 student XP workstations. Each classroom has a minimum of 3 workstations with network and Internet access. Every 2nd and 3rd grade classroom has an additional Accelerated Math Workstation with laser printer to supplement the primary Math program. We utilize over 50 academic software programs. This software is available to all students to help meet academic goals and achievement. There are many resources that teachers can utilize in their classroom: 1) two mobile COWS (computers on Wheels) for media lessons, 2) 10 digital cameras and video cameras, and 3) two Smartboard Interactive Whiteboards to improve student learning through technology. In addition to these resources Title 1 also implements Quizdom, a handheld remote learning tool as well as United Streaming through KET/Discovery. We also maintain our own website for update information and resources for our students, teachers and parents. Last, our music program benefits from the computer-based Yamaha Keyboarding Lab.

**Awards and Recognition**  
Ranked among the top ten schools in the state for American Heart Association’s Jump Rope for Heart Program. Recognized as a Professional Development Site for Lindsey Wilson College. STLP Regional Showcase Winner Pat Coomer, KY Assoc. of Tech. Coordinators Teacher of the Year

**What We Are Doing To Improve**  
Casey is continually monitoring and analyzing our programs to make adjustments to meet the needs of all students. Currently we are attempting to address all recognized achievement gaps on the Commonwealth Accountability Testing System (CATS) and working toward achieving the national goal of the "No Child Left Behind Act" 2001. We have applied for and received grants at the school level for a variety of academic needs. We have implemented an extensive after school program. We have restructured our schedule to allow larger blocks of instructional time.

**How to Get More Information**  
Call, e-mail, fax or write to our principal at the number and address on the top of this School Report Card. You may contact your School Council Members at the numbers below. Visit our main office and ask for the Expanded School Report Card that contains a variety of information including Kentucky Core Content Test data and CTBS/5 national norm referenced test data disaggregated by gender, ethnicity, disability and other criteria. This disaggregated data is available to you at no cost. The remainder of the Expanded School Report Card may be free or provided at cost of copying.
